

## WOMAN FROM NEW YORK SEEKS DEATH IN HOTEL

Elizabeth Reunek Jumps From Window in Pittsburg and Is Dying.

PITTSBURG, Dec. 6.—Elizabeth Reunek, of New York City, will dress, refined and apparently about thirty-five years old, jumped from a third story window at the Monongahela House, at 7:30 P. M., last. She is now at the Homoeopathic Hospital unconscious, and will probably die. Her legs are broken, her skull is fractured, she is injured internally, and it is feared her back is broken.

The woman arrived in Pittsburg at 8 A. M. over the Baltimore and Ohio at the morning at depot station, explaining that her brother, Frederick Reunek, who also said he was connected with the Union Switch and Signal Company, was to have met her at the depot. She seemed greatly excited when failing to do so, and after waiting three-quarters of an hour went to the hotel, according to the police.

The police are trying to locate her brother. His name does not appear in the City Directory, and he probably lives in one of the saloons. Mrs. Reunek was valuable jewels and a large sum of money with her.

## Out of Sorts

THAT IS something is wrong with baby, but we can't tell just what it is. All mothers recognize the term by the lassitude, we, less, loss of appetite, inclination to sleep, heavy breathing, and lack of interest shown by baby. These are the symptoms of sickness. It may be fever, congestion, worms, croup, diphtheria, or scarletina. Do not lose a minute. Give the child Castoria. It will start the digestive organs into operation, open the pores of the skin, carry off the foetid matter, and drive away the threatened sickness.

Genuine Castoria always bears the signature of *Pat H. Fletcher*
